Frontier.

The Eherman Courter brings us a port of another Indian raid and fight. A lody of about twenty-five Indians came down upon Sirill's Bend and drove off a lot of horses. Six young men followed them, and coming up with them, charged them, and a desperate fight ensued for an hour and a half. Finally both parties draw off, and the Indians retired in si-leuce. One of the six was killed and two wounded, and some of their horses killed and wounded. Ten of the Indians were

MEMPHIS, TENN., TUESDAY, DECEMBER 8, 1868.

The Austin Republican (Radical) says the county of Liano, which it mentions women and children, and see the Indians drive off their stock-all they have of this world's goods, the proceeds of years

of toil, privation and darger."
The Republican advocates the formation of a battalion or regiment of rangers for frontier protection, and declares that, in a fleid of operations lying outside of the posts an forts as at present arranged, it would afford more protection than any other means that could be devised.
